

The Model Bills of Quantities for Building Works 2007 Edition (revised)

The 2007 Edition (revised) of the Model Bills of Quantities for Building Works features an integrated version of the model bills of quantities for both building works and building services. It comprises comprehensive updating and revisions to the 2004 Editions in line with the Hong Kong Standard Method of Measurement of Building Works – Fourth Edition (HKSM4) published by the Hong Kong Institute of Surveyors.

HKSM4 will be adopted in the bills of quantities for works contracts to be tendered after 1 January 2008.
