

General Specification for Mechanical Installations 2007 Edition

The 2007 edition of the General Specification for Mechanical Installation is a new General Specification.

In line with the global consciousness for our environment, the new specification has been written with sustainability as the key objective.

The updating of specification is a continuous process. With the benefit of information technology, electronic version of this new 2007 edition can be kept up-to-date and may be viewed on the ArchSD Homepage.

In view of the new additions, there will be an introductory period of 3 months, whilst the new General Specification for Mechanical Installation 2007 Edition may be viewed in parallel in preparation for full implementation by 17 December 2007.

- **Hence, for tenders to be invited on or after 17 December 2007, General Specification for Mechanical Installation 2007 Edition shall be used.**
- **Existing contracts (including contracts tendered before 17 December 2007) would not be affected.**
