

Existing and planned measures on the promotion of racial equality

Architectural Services Department

The Architectural Services Department (ArchSD) is performing three core functions in relation to Government-owned and Government-funded facilities in the following programme areas:

1. Monitoring and Advisory Services
2. Facilities Upkeep
3. Facilities Development

Services Concerned	<ul style="list-style-type: none">● The public can access to the Sustainability Report that provides key facts and information on the work of ArchSD.
Existing Measures	<ul style="list-style-type: none">● The Sustainability Report is published on ArchSD's website in two official languages of Hong Kong (i.e. Chinese and English)
Assessment of Future Work	<ul style="list-style-type: none">● ArchSD will arrange translation of the Report into other languages where necessary and appropriate.● ArchSD will continue to review its services from time to time, with a view to meeting the needs of people of diverse race.
Additional Measures Taken/To Be Taken	<ul style="list-style-type: none">● ArchSD has arranged and will continue to encourage its staff to attend training to enhance their awareness of, and sensitivity to, racial equality.● ArchSD has started to collect statistical figures on the use of interpretation and translation services from various Branches since June 2020 to better understand the social needs of people of different races.
