

**General Specification for Plumbing and Drainage Installation
in Government Buildings
of the Hong Kong Special Administrative Region
2012 Edition**

This General Specification for Plumbing and Drainage Installation in Government Buildings of the Hong Kong Special Administrative Region 2012 edition is newly compiled base on the relevant parts of the General Specification for Building 2007 edition Updated Version Incorporating Corrigendum Nos. GS2007-01 and GS2007-02.

The date and details for full implementation of the new General Specification for Plumbing and Drainage Installation in Government Buildings of the Hong Kong Special Administration Region 2012 edition will be announced in due course. Before the aforementioned date, the relevant parts in the General Specification for Building 2007 edition Updated Version Incorporating Corrigendum Nos. GS2007-01 and GS2007-02 will still be the Contractual Document for the captioned installation. The new General Specification for Plumbing and Drainage Installation in Government Buildings of the Hong Kong Special Administration Region 2012 edition may be viewed on the ArchSD Homepage in preparation for its full implementation.
